Gley*, Études de psychologie physiologique et pathologique—*J. H. Bair*, The Practice Curve.

Notes : 109
Personal Notices, Current Philosophical Periodicals, etc.

The REVIEW is a bimonthly journal devoted to the interests of the philosophical sciences: Logic, Metaphysics, Ethics, Æsthetics, and the Philosophy of Religion. It has now completed its thirteenth year, and is recognized both at home and abroad as the representative philosophical journal of America. The terms of its endowment require that it be an absolutely free organ of contemporary philosophy.

Articles intended for publication, books for review, exchanges, and all correspondence in reference thereto, should be addressed to Professor **J. E. Creighton, Cornell University, Ithaca, N. Y.**

Subscriptions may be forwarded, when more convenient, through any of the publishers' European agents mentioned on the first cover page, but otherwise all business communications should be addressed to
